

# 4 WAYS TRAVEL INSURANCE CAN HELP PROTECT YOUR TRIP

## WHEN THINGS GO WRONG

### 1 BAGGAGE DELAY

**YOU WENT RIGHT.  
YOUR BAGS WENT LEFT.**

Your luggage was routed to the wrong city and won't arrive for days. Baggage delay coverage can reimburse you for essentials while you wait.

### 2 TRIP CANCELLATION

**THE STORM CAME. YOUR PLANS DIDN'T HAVE TO BLOW AWAY WITH IT.**

The storm closed your destination before you ever left home. Trip cancellation can help reimburse your non-refundable, pre-paid costs.\*

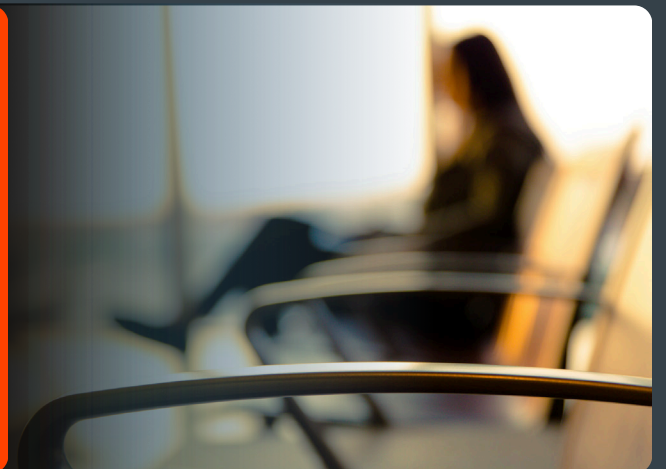

*\* Policy must be purchased before the storm is named.*

### 3 TRAVEL DELAY

**DELAYED. STRANDED. COVERED.**

Your flight was delayed for hours, and you missed your connecting flight. Travel delay coverage can help reimburse meals and hotel while you wait.

### 4 TRIP INTERRUPTION

**YOU HAD TO LEAVE EARLY.  
YOU SHOULDN'T HAVE TO PAY FOR IT.**

An unexpected storm hit while you were there, and you had to head home early. Trip interruption can help cover the unused portion of your trip and last-minute travel home.
